8th International Still Life Photography Contest 2024

Organized by the Photographic Association of La Rioja (AFR), the Exhibition is open to all amateur and professional photographers from around the world. This International Competition is recognized by the Fédération Internationale de l'Art Photographique (FIAP), the Spanish Confederation of Photography (CEF) and the Rioja Photography Federation (FRF), is governed by its bases and will be scored by obtaining their honorific titles.

It is sponsored by Bodegas Riojanas S.A.

A still life, is a composition that represents inanimate objects, generally taken from everyday life, which can be of natural origin, fruits, flowers, food, plants, rocks, shells, etc. or man-made, kitchen utensils, antiques, books, jewelry, tools, etc. in a certain space. The objective of this contest is the updating and innovation of still life photography, in its broadest sense.

THEME

The theme is “The still life”.

PARTICIPANTS

In this contest can participate everyone who are amateurs or professionals in photography, over 18 years old. All participants in the FIAP salons must comply with the FIAP regulations and the provisions of this document, as well as those of document 017/2017. Members of the AFR board of directors and their family members can't participate (in compliance with the regulations CEF).

NUMBER OF WORKS AND PRESENTATION

Each participant may submit a maximum of 4 photographs.

The works shall be submitted exclusively in digital format with JPG extension, sRGB color space, with minimum dimensions of 2800 pixels on its smaller side and a maximum file size of 8 Mb. The images shall be free of any type of watermark, signature or similar.

Photographs submitted in previous editions of this contest will not be accepted. Photographs may only be submitted by their authors, who will own all rights. **All images must be of photographic origin. Works made with Artificial Intelligence will not be admitted.** The organization may request the raw files of the photographs used. If the photograph reaches the finalist level, high resolution files for printing will be requested. Failure to send the requested files will result in disqualification from the contest.

PARTICIPATION FEES

A participation fee of 12 euros per photographer is established, regardless of the number of works submitted. Payment will be made only by Paypal.

AWARDS DELIVERY

The awards ceremony and the opening of the exhibitions will be public, notifying all participants in advance.

EXHIBITIONS

The selected and awarded finalist works will be part of the exhibitions organized by the AFR, together with Bodegas Riojanas in different locations.

RIGHTS

The author of the photographic work will be solely responsible for complying with current regulations on the image rights of the photographic shot, being exempted AFR of any breaches. The authors authorize the AFR and the sponsor Bodegas Riojanas S.A., the reproduction of the works presented in photographic paper or print, as well as the publication of the same in magazines, web, cards, catalogs, etc., always indicating the name of the author and with the sole purpose of the dissemination of this contest. The authors cede to the AFR the paper copies made for the exhibition of the contest, which will be incorporated into the photographic library of the Association.

VARIOUS

The Photographic Association of La Rioja will bear the cost of printing and framing the photographs selected for the exhibition with the sponsorship of Bodegas Riojanas. With the awarded and selected works, a PDF catalog will be published and sent by e-mail to the participants.

The jury's decision will be unappealable and the mere fact of participating in the contest implies acceptance of the rules in their literal sense. Any circumstance not included in them will be resolved by the jury and the organization. If the payment of any prize entails a transfer abroad, the bank charges will be paid by the beneficiary.

With the presentation of images in a show under FIAP sponsorship, the participant accepts without exception and without objection that the images presented may be investigated by FIAP to establish if these obey FIAP regulations and definitions even if the participant is not a member of FIAP; FIAP will use all means at its disposal for this undertaking; that any refusal to cooperate with FIAP or to submit the original files as collected in the camera, or lack of sufficient evidence, will be sanctioned by FIAP and that in case of sanctions following non-compliance with FIAP regulations, the name of the participant will be disclosed in any form useful for reporting violations of the rules. It is recommended to leave the EXIF data in the submitted files intact in order to facilitate eventual investigations.
